Be better informed, connected
and equipped for the future

Together we can make a difference

We are the network for primary care – the only network bringing together primary care with the rest of the health and care system, supporting, connecting and empowering our members to maximise the impact they have on patient care and drive change.

From April we're launching our new enhanced network for primary care offering:

the latest information, comprehensive briefings, bulletins and advice via our bespoke app to keep you up to speed with what's happening in the NHS and how it impacts you

the opportunity to connect with your colleagues across England, to share information, ideas and solutions to challenges as they arise

promotion of your achievements, ensuring your voice is heard at system, regional and national level

the chance to upgrade to our premium membership to increase your influence and shape the future of the NHS.

All primary care providers can enjoy our core membership benefits for just £350 pa

Sign up now and enjoy all the benefits for free until April
